

ELLIOT HEALTH SYSTEM APPLICATION FOR TUITION REIMBURSEMENT

The Tuition Reimbursement Program is designed to reimburse employees for college level courses that are offered by an accredited college, university, or other accredited educational institution. The program is also for certain other educational programs that would mutually benefit the employee and Elliot Health System. Fees and expenses associated with several day's training, workshops or seminars, non-credit courses, short-term certificate programs, as well as periodic or occasional meetings or briefings sponsored by professional organizations, groups, consultants, or vendors should be submitted for reimbursement under individual departments continuing education and/or travel, meetings and seminars budget.

I understand all requirements must accompany this application and be submitted to Human Resources prior to the start of the course. Requests for reimbursement, which are submitted after the start or completion of a course, may not be approved and could result in an out of pocket expense.

IMPORTANT NOTE: I understand employees who receive tuition reimbursement must remain employed at Elliot Health System for one year after completion of the course(s). If I leave Elliot Health System before the end of one year from the date the course ends, I am responsible for repayment of the course to Elliot Health System. This repayment may come out of my last paycheck(s), if the amount allows. Otherwise, I understand and agree that I will make personal payment to Elliot.

I understand and agree that I am applying for tuition reimbursement under my own volition.
