

Employee Referral Bonus Program

Updated September 2017

THE BEST REFERRALS COME FROM YOU!

Your expertise, dedication and compassion are Elliot’s most valuable resources. Who better to recommend others for a career at the Elliot than YOU! We prefer to invest in you instead of spending money on radio and newspaper ads. We encourage you to introduce us to friends, family and other colleagues who you feel align with our mission and environment. If the Hard to Fill job is filled by your referral, it could mean a cash reward for you!
